FRONSAC ANNOUNCES RENEWAL OF NORMAL COURSE ISSUER BID

Montreal (Québec) - (TSX-V: FRO.UN) Fronsac Real Estate Investment Trust (“Fronsac REIT” or “Fronsac”) is pleased to announce that it has received approval from the TSX Venture Exchange (“TSX”) for the annual renewal of its normal course issuer bid (“NCIB”).

For its current NCIB that expires on July 31, 2019, Fronsac previously sought and received approval from the TSX to repurchase up to 4,283,577 Trust Units (the “Units”). The Trust has not purchased any units for cancellation over the course of this NCIB.

Under the renewed NCIB, Fronsac may purchase for cancellation, through the facilities of the TSX Venture Exchange, if in the best interest of the Trust, a maximum of 5,828,557 Units, which represents approximately 5% of the units in circulation. As of today, the Trust has 116,571,151 Units issued and outstanding. Over the course of any 30 day period the Trust will not purchase more than 2,331,423 units in total, which represents 2% of the units issued and outstanding at this present date.

All purchases and settlement of said securities will be made by the facilities of the TSX Venture in accordance with its rules and regulations. All units redeemed by the Trust pursuant to the NCIB will be cancelled. National Bank Financial will be handling the offer on behalf of the Trust. The price paid by the Trust for the redemption of these units will be the price of the units at the time of acquisition. The renewed normal course issuer bid will begin on August 1, 2019 and will expire on July 31, 2020.

The Board of Trustees of Fronsac believes that the purchase of units through the NCIB represents a valuable use of the financial resources of the Trust as these interventions can protect as well as enhance value for our unitholders when opportunities arise or in the event of volatility in the unit price.

About Fronsac - Fronsac Real Estate Investment Trust is an open-ended trust that acquires and owns high quality triple net and management-free commercial real estate properties.
